Separate Audit Report of the Comptroller & Auditor General of India on the accounts of Indian Institute of Information Technology (IIIT), Ranchi for the year ended 31 March 2018

We have audited the attached Balance Sheet of Indian Institute of Information Technology (IIIT), Ranchi for the year as at 31 March, 2018 the Income and Expenditure Account and Receipts and Payments Account for the year ended on that date under Section 19 (2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28 (1to 5) of the Indian Institute of Information Technology (Public-Private-Partnership) Act, 2017. These financial statements are the responsibility of the Institute management. Our responsibility is to express an opinion on these financial statements based on our audit.

- 2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (C&AG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards, disclosure norms etc. Audit observations on financial transactions with regard to compliance with the Laws, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ C&AG's Audit Reports separately.
- 3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
- 4. Based on our audit, we report that:
- (i) We have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

- (ii) The Balance Sheet and Income & Expenditure Account and Receipts and Payments Account dealt with by this report have been drawn up in the format approved by the Ministry of Human Resource Department for Central Education Institute.
- (iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Indian Institute of Information Technology (IIIT), Ranchi as required under section 28 (1to 5) of the IIIT (PPP) Act, 2017 and Rules and Regulations in so far as it appears from our examination of such books.
- (iv) We further report that:

#### A Balance sheet

#### A.1 Current Liabilities and Provision: ₹ 17.84 lakh.

A.1.1 The Institute received a grant of ₹ 220.00 lakh from the TATA Technology during the year and the unspent balance of previous year grant was ₹ 1161.93. Thus the institute had total fund of ₹ 1381.93 lakh and no fund has been utilized during the year. The institute had kept ₹ 1381.93 lakh (Sch-2) in Designated/Earmark/Endowment fund. However, the same should be depicted in Current Liabilities and Provision (Sch-3). This had resulted in understatement of Current Liabilities and overstatement of Designated/Earmark/Endowment fund by ₹ 1381.93 lakh.

## B. General

### **B.1** Non-preparation of Schedule

As per schedule 12 of MHRD's format, the interest earned on saving account in respect of Earmarked/Endowment Funds should be shown in Schedule 11 (First Part) and Schedule 2. The institute had shown ₹ 52.36 lakh as interest earned in schedule 12 and had not shown the interest earned on earmarked funds separately as required by the above schedules.

### B.2 Non-preparation of Schedule of staff payment and benefits

As per Schedule 15 of MHRD format the staff payments and benefits should be bifurcated under various subheads as prescribed therein. However, the Institute did not

prepare the Schedule/ledger of staff payments and benefits of ₹ 18.96 lakh in the format as required by the Schedule 15 of MHRD format.

## **B.3. Sundry Debtor**

Sundry debtors included ₹ 1.30 crore (schedule -7) receivable from NIT, Jamshedpur. The amount is lying unadjusted since more than six month. The institute did not take any action to realize the amount or obtain confirmation of debtors from respective institute.

B.4 As per Rule 230(8) of the GFR Rules 2017, all interests or other earnings against Grants in aid or advances released to any Grantee institute should be mandatorily remitted to the Consolidation fund of India immediately after finalisation of accounts. Hence, the interest earned on Government Grant could not be considered as income of the receiver.

The Institute had earned interest of ₹ 52.36 lakh during the year on the saving bank account in which grants as well as internal earnings of the institute were kept and shown this interest under Income & Expenditure Account. Thus, the Institute had considered the interest earned on grants as income which is in violation of the GFR rule mentioned above. However, the amount of interest received on Government Grant could not be quantified in view of non- maintenance of separate schedule of Interest earned on grants.

#### C. Grants-in-aid

The Institute received total grant amounting to ₹ 220.00 lakh from the Tata Technology during the year and internal income of the institute was ₹ 185.83 lakh (Academic ₹ 133.47 and Interest ₹ 52.36 lakh). The unspent balance of previous year was ₹ 1210.23 lakh. Thus the Institute had total fund of ₹ 1616.06 lakh (grant ₹ 1381.93 lakh and IRG ₹ 234.13 lakh). Out of which, ₹ 31.36 lakh was utilized and leaving a balance of ₹ 1584.70 lakh (Grant ₹ 1381.93 lakh and IRG ₹ 202.77 lakh) as on 31.03.2018.

# D. Management letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Institute through a management letter issued separately for remedial/corrective action.

(v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

(vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in the Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India.

(a) In so far as it relates to the Balance Sheet of the state of affairs of the Indian Institute of Information Technology, Ranchi as on 31st March 2018, and

(b) In so far as it relates to Income and Expenditure Account of the surplus for the year ended on that date.

For and on behalf of the Comptroller and Auditor General of India

Place: Lucknow

# Loss of interest amounting to ₹54.83 lakh

The Institute has kept unspent grant of ₹ 1184.24 lakh in SBI saving from April 2017 to March 2018. The Institute earned interest ₹ 42.15 lakh @ 3.56%. If the Institute kept this account in FD/Flexi account, the Institute would have earned ₹ 76.98 lakh (@ 6.5%). Thus, ₹ 34.83 lakh (₹76.98 lakh - ₹ 42.15 lakh) was loss to the Institute.

# Irregular expenditure on Advertisement: ₹ 5.26 lakh

The Directorate of Advertisement and Visual Publicity (DAVP) is the nodal agency of Government of India (GOI) for advertising by various Ministries and organization of Government of India including Public Sector Units (PSUs) and Autonomous Bodies (ABs). The GOI, in suppression of all earlier orders, lay down the new advertisement policy with effect from 01<sup>st</sup> June 2006. As per Clause 3 of the Policy, all the Central Government departments including PSUs/ABs may require to route their Advertisements through DAVP

Audit examination of records of IIIT Ranchi revealed that Institute did not adhere the above provisions and incurred expenditure amounting to ₹ 5.26 lakh on advertisement and Publicity through private agencies without routed through DAVP during the year 2017-18. Thus, the above expenditure on advertisement was irregular. Reason for above may be stated to audit.

# 3. Irregular payment to contract faculty:- ₹ 0.97 lakh.

The following discrepancies were found during scrutiny of vouchers:-

- A sum of ₹ 50,000 was paid to contractual faculty for salary of the month of May 2017 vide Vr. no.3 date 31.5.17 without the approval of the competent authority.
- Further ₹ 46,774 was paid to contractual faculties for their salary of the month of August 2017 vide Vr. No.5 date 31.8.2017 without the approval of Director.

However, the payment made without the approval of Director, the payment was Irregular and doubtful.

The institute was shown totaling of schedule-3 for the year 2016-17 amounting to ₹
 1288 instead of ₹ 1,50,288 in the annual Accounts. This needs to rectification.
